Kids Kount program impacts more than 50 children this year

The Kids Kount program administered by Greater Wausau Christian Services (GWCS) presented gifts to children in the Wausau area this month.

The Kids Kount program provides Christmas gifts to children with a parent held at the Marathon County Jail. This year, 52 children received gifts or gift cards. The program is managed by Marlene Schalow and Sally Scinto-Reinertson.

GWCS would like to thank the members of the community who support the program. Community members give of themselves financially and through volunteering time to wrap and deliver gifts.

GWCS also thanks 89Q Hope is Here (89.5 FM) for their kind and generous help with a toy drive at the station.

If you would like to help with the 2019 Kids Kount program, please contact Marlene Schalow at 715-842-5635.

Greater Wausau Christian Services is located at 319 Fourth Street in Wausau. For more information on the organization, visit gwcservices.org.

###

Greater Wausau Christian Services (GWCS) is a community of congregations that bring Christian compassion and hope to individuals and families through ministry in elder care facilities, the Marathon County Jail and the Marathon County Juvenile Facility. GWCS is able to minister to others because of the gracious support of 14 congregations in the Wausau region as well as all the additional support that we receive from many other congregations and individuals both inside and out of the area.
